## QUIZ: DO YOU THINK LIKE A RICH PERSON?

You will see 10 paired statements below. Try to assess your own mindset and see which statement best defines you. Then, state in the ANSWER box whether the chosen statement belongs to a rich or poor person's thinking.

### STATEMENT

### ANSWERS

#### ***Destiny versus Action:***

Rich believe they are responsible for their own life. They create their own destiny and not the economy, luck or knowledge.

Poor believe that they are the slaves of their own destiny. Whatever they do, adversaries come no matter how they elude them

#### ***In-Control versus Out-of-Control:***

Rich believe that with the right planning and appropriate actions, the results are favourable. They take full accountability for all their actions.

Poor believe they live an unruly life. When they fail in their endeavours, they blame the economy, the boss, their family and others.

#### ***Opportunities versus Obstacles:***

Rich people see problem as a door for new opportunities. They focus on solution rather than dawdle in despair.

Poor man sees it as an obstacle to his easy life. He detests difficulties and sees it as a hindrance to his laid-back life.

#### ***Action versus Complain:***

Rich people act on their problems. They may moan a little, but they work to unravel the misery. The more problems they solve, the better they feel.

Poor people keep on complaining about the obstacles. At the end of the day, they have not done anything to solve the issue.

## QUIZ: DO YOU THINK LIKE A RICH PERSON?

### STATEMENT

### ANSWERS

#### ***Big versus Small:***

For rich people, to achieve big things, you have to dream big. They dream of making a legacy. They dream of a luxurious and comfortable house.

Poor people have little dreams. They are satisfied with having a small house to live in and get a job with good pay.

#### ***Aspirant versus Contentment:***

Rich aspire for more. They believe that their abilities can bring them to places, and they work hard to turn aspirations to reality.

Poor get contented with what they have. They do not aspire for more. They believe that to desire for more things means to complicate your life.

#### ***Commitment versus Dreaming:***

Rich work hard on their dreams. They commit each day of their lives to reach their goals. They pile up their efforts to assemble their dream life.

Poor keep on dreaming that things will just happen in a snap. They keep on thinking how good it is to live in opulence but never do anything about it.

#### ***Risk-taker versus Playing Safe:***

For rich people, life is about taking risk. Because they exactly know what they want, they invest in order to win.

Poor people are too careful to invest. They play the game of life only just to prevent losing. When in doubt, they always stay on the safe side.

# DAY 4

## QUIZ: DO YOU THINK LIKE A RICH PERSON?

### STATEMENT

### ANSWERS

#### *Receptivity versus Hostility:*

Rich are receptive to new ideas and new people. They analyze how the wealthy people become richer and imbibe their ways and thinking.

Poor are hostile to rich people. They think that their lifestyle is not tolerable. Instead, they associate with people with the same income as theirs.

#### *Open-mindedness versus Close-mindedness:*

Rich people admit that they still need to learn. When you give a room for improvement and new ideas, you open your mind to possibilities

Poor believe that they know everything. They know how life works and how to live well. Their beliefs make them close their minds to new ideas.
